# Meeting point of Steel Industry in Eurasia

METAL EXPO, one of the leading trade fairs of the steel industry in Eurasia, organized by Sky Trade Fairs. It will take place at Istanbul Expo Center, Halls 1, 2 and 3, between 11 and 14 September 2024.

METAL EXPO; It is a large and multi-layered event that brings together all companies and organisations that manufacture products and services in the steel industry.

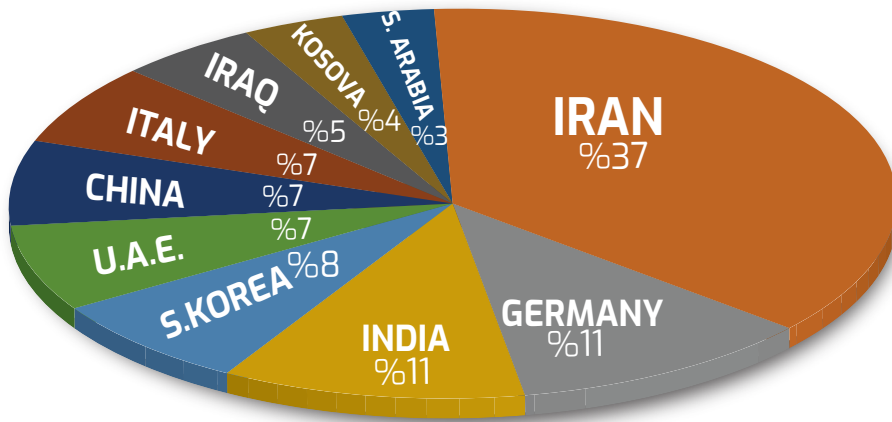

METAL EXPO hosted international industry professionals from 98 countries in 2023.

The Fair will increase its venue area capacity by 1.5 times in 2024.

**METAL EXPO EURASIA İSTANBUL,**  
By hosting representatives of the steel industry from 98 countries, it increases its value on a continental scale day by day.
